### IN THE NEWS

► He's worked on the teeth of Wayne Gretzky and Matt Dillon, but since moving to San Clemente four years ago from New York City, cosmetic dentist **Jon Marashi** has worked hard to establish a business for everyday folks in the South County area. Located at 647 Camino de los Mares, Marashi provides aesthetic, implant and general dentistry but is most proud of his work providing his clients with beautiful smiles. "If someone says to my clients, 'Hey, you've got white teeth,' then I haven't done my job right," said Marashi, 34, who can be found skateboarding at the Ralphs Skate Court in his free time. "If they say, 'You've got a great smile,' then I've done it right."

Marashi recently was chosen as one of America's Top Dentists by the Consumer's Research Council of America, is a Senior Clinical Instructor for the California Center for Advanced Dental Studies and is a regular on the national lecture circuit. He's involved locally in numerous projects and is on the board of directors for the Boys & Girls Club. Marashi's wife, Elizabeth, is a physician; the two have a 9-month-old daughter, Avery. 949.493.9371, [www.drmarashi.com](http://www.drmarashi.com)—Norb Garrett
